The Cirio Chandelier pools a large body of light onto a focal axis that stands out hugely from its surrounding area. Its dense array of concentric rings, from which twenty, thirty and even forty light sources may be hung thanks to the enlargeable diameter of the structure, gives off a warm, powerful light with a major visual impact.

La familia Cirio soluciona con gran efecto cualquier necesidad gracias a su amplia gama de usos y formatos, combinando estructuras, pantallas y texturas de luz. Una lámpara para espacios compartidos, para momentos de reunión. Ya sea por sí sola, en forma de Chandelier, de Cascada, Circular, Lineal, Oval o Múltiple. Una perfecta combinación de elementos repetidos. Una unión entre tecnología y tradición; innovación y oficio. Y siempre recuerdas lo bien que te ilumina.
